AMPLIFY Conference
3826 Wheeler Avenue
Houston, TX 77004

Greetings!

The WABC AMPLIFY Conference is excited to invite your organization to partner with us for the Church Media & Live Production Conference taking place October 5-8, 2026 at Wheeler Avenue Baptist Church.

This unique event is dedicated to equipping faith-based organizations with the necessary tools for thriving in today's digital age. From livestreaming and broadcasting to lighting, sound, and pulpit design, our conference will assemble production teams, pastors, volunteers, and industry professionals for a time of gleaning and collaboration.

By sponsoring this conference, your organization will:

- Obtain direct visibility with church leaders and production teams seeking solutions for livestreaming, broadcast technology, and in-house media production.
- Be recognized as a supporter of ministry innovation and excellence in church communications.
- Connect with decision-makers who influence technology purchases and implementation in growing ministries.
- Feature your products, services, or resources as tools that help churches expand their reach and better serve their communities.

We have provided several sponsorship opportunities to meet your goals and provide meaningful exposure for your organization.

Included, are our Sponsorship Packages, which outlines benefits for **Platinum, Gold, and Silver partners**. We look forward to discussing how your organization can contribute to the success of this conference while supporting the mission of equipping churches in the digital space.
